

Lokk Latch Magnetic

Engineered with the most durable materials and finishes that withstand the harsh effects of time and weather.

Lokk Latch Magnetic has a unique push/pull magnetic latching action system with dual re-keyable 6 pin locks. The lock is adjustable both vertically and horizontally.

The standard finish is black (A) or you can purchase it with chrome (B) or a brushed (C) finishing trims.

Can be fitted to any metal, wood or vinyl square post gate system.

All fixings are hidden for better aesthetics and security.
